***“Bear ye one another’s burdens,  
and so fulfill the law of Christ”***

*The Methodists in the Cincinnati Area have carried out the above commandment in a most noble way. During the past five years, we have helped to lighten the burdens imposed by disease and misfortune upon our mountain relatives and friends. Thousands of people have been helped and encouraged by this service. Scores of lives have been saved which otherwise would have been lost.*

*The balance of the share of the Kentucky Conference of the original \$116,000.00 indebtedness is now \$12,000.00. We can pay this amount in full this Conference year if each of the delinquent churches pay the remainder due on the 15 per cent direct apportionment and if all the churches in the Kentucky Conference designate at least one-third of their World Service assessment. The direct apportionment should be sent to the Hospital and the World Service designation to the Board of Hospitals, Homes and Deaconess Work, 33 North High Street, Columbus, Ohio.*

### BOARD OF HOSPITALS AND HOMES

#### Resolutions

Be it RESOLVED, That we express our appreciation to the ministers and laymen of the Kentucky Conference of the Methodist Episcopal Church for their unequalled loyalty and sacrificial giving during the past five years in an effort to liquidate the indebtedness on the Methodist Hospital at Pikeville.

That we ask their continued support during the Conference year to the extent that each pastoral charge shall pay in full the balance due on the 15 per cent assessment for the Conference year of 1930; that each of the charges in the Ashland, Barbourville, and Covington Districts be requested to take a special offering at Christmas time, preferably using the Christmas coin stockings, and forwarding the receipts directly to the hospital; that each of the charges in the Kentucky Conference be asked to secure as designated gifts an amount equal to one-third of their World Service apportionment, forwarding same to Dr. N. E. Davis, Corresponding Secretary of the Board of Hospitals, Homes, and Deaconess Work, 33 N. High Street, Columbus, Ohio.

(Signed) THOS. B. ASHLEY, President,  
JAS. H. LYON, Secretary,  
Conference Board of Hospitals and Homes.

#### RESOLUTIONS

RESOLUTIONS adopted by the Annual Conference of the Area Council of Religious Education:

1. In view of the work now being developed in our Conference, we not only endorse the program of our Director of Religious Education, but ask that he give to Kentucky as much time as possible the coming year.

2. We ask support of the Area Program of Religious Education through Rally Day Offerings by every Church School on the first Sunday in October, or the nearest Sunday to that date.

We request prompt remittance of the offering to the Board of Education at 740 Rush Street, Chicago, with the understanding that this offering receives World Service credit and comes back to the Area for promotion of religious education.

3. We endorse as a major training feature of the Area Program, the Area Summer School of Religious Education. We also express our appreciation to the Ohio Wesleyan University for use of equipment, and to the Area Council of Religious Education, and the Board of Education, for their provision of leaders in this school.

4. We approve the use of only such Lesson Materials as meet the standards of the Curriculum Committee of the Methodist Board of Education.

5. We counsel consultation with the Bureau of Architecture and the Area Director at the beginning of every church building or remodeling enterprise, before selection of an architect or drawing of preliminary plans.

6. We approve the organization of a "Conference Division of Religious Education in the Local Church" in harmony with this section of the General

Board of Education. This division shall have the responsibility for correlating and promoting all phases of educational work with children, young people, and adults of the local church.

(a) The membership of this Conference division shall include: as ex-officio members: the Supervising Bishop, the District Superintendents, and the Area Director of Religious Education; the Chairman of religious education in the respective districts; a representative of Union College, Barbourville; the Deans of the Epworth League Institutes; the President of the Methodist Brotherhood; Methodist members of the Executive Committee of the Kentucky Council of Religious Education; one representative from the Woman's Home Missionary Society and the Woman's Foreign Missionary Society. The Area Director shall convene this newly formed division for organization.

7. This Conference Division shall take the place of the Conference Board of Sunday Schools, and the Conference committees on Young People's Work, and Women's Work.

Committee:

JAS. H. LYON,	D. C. JOHNSON,
W. E. CISSNA,	T. B. ASHLEY.

### THE AREA COUNCIL

#### Recommendations to the Annual Conference

##### Area Budget

The recommendation of the Area Council concerning the appropriations to the Wesley Foundation centers was originally to leave the Wesley Foundation Trustees out of the budget, at their own request, so that they might secure the necessary funds directly from the churches. Later the Wesley Foundation Directors and workers requested that they be included in the budget as heretofore. Both Ohio Conferences approved the later request and voted the same amount as last year, \$10,800, to be distributed among the different centers.

The remainder of the budget as recommended is as follows: Bishop's Office, \$7,500, gross; Summer School of Ministerial Training and Rural Extension Work, \$3,000, which with the \$10,800 for Wesley Foundation makes a total of \$21,300, on which an allowance of \$1,800 is made from the Episcopal Fund for the Area Office, and approximately \$1,000 from the World Service Commission for handling the stereopticon lectures, leaving a net amount to be raised by the churches of \$18,500.

##### Hospitals

1. Pikeville Methodist Hospital. Assurance has been given by the Board of Hospitals and Homes that the Pikeville Hospital project will be given full World Service credit under the Designated Gift Arrangement.

2. Relative to all other hospitals in the area: That all other hospitals in the Cincinnati Area be allowed the same privileges and consideration heretofore extended by the Area Council.

##### General Conference

That we endorse the invitation for the next General Conference to be held in the city of Columbus.

##### Young People's Work

We recommend that all young people's organizations, such as the Epworth League, the Junior Laymen's Conferences, and proposed youth movement conferences, be provided for and promoted in a unified program. We highly commend the work of Rev. C. D. Smith as Area Director of Religious Education, and recommend that he be consulted in the building of such a unified program for our youth.

### KENTUCKY MOUNTAIN WORK

The Board of Managers of the Kentucky Mountain Work makes the following recommendations to the Annual Conferences of the Cincinnati Area:

### GROUP INSURANCE

WHEREAS, The Kentucky Conference Group Insurance Commission, in contract with the Inter-Southern Life Insurance Company, of Louisville, Kentucky, has carried on for the last six years a way to bring financial aid to several parsonage families in the time of bereavement and financial stress consequent thereon; and

WHEREAS, Protection has come to many of our brothers and sisters for whom insurance would have been prohibitive from excess of cost or other impossible requirement; and

WHEREAS, So far as we can learn, ours is the only Conference Group Insurance Commission that has made possible the insurance of both the preacher and his wife, thus assuring unusual protection to parsonage homes; and

WHEREAS, The only possible means of continuing the fine protection of our parsonage homes from financial distress and the Conference from embarrassment in the time of death, is by the continual addition of young men and women to the insured group; therefore be it

Resolved, That the Kentucky Conference hereby recognizes the fine co-operation of the Inter-Southern Life Insurance Company with our Conference Commission and in appreciation thereof we urge every member of the Con-

ference who is not now a member of the group and who is eligible for membership therein, to join the group as soon as conditions will permit; and be it further

Resolved, That from this Conference inclusive, each candidate for admission on trial or full connection, shall be required to protect himself and his family by signing an application for at least one thousand dollars (\$1,000.00) insurance in the group, unless excused by majority vote of the Conference for satisfactory reasons.

To carry out the provisions of the foregoing resolutions we hereby instruct the Committee on Ministerial fitness to include in the questions asked of candidates for admission on trial the following: "Will you, for the protection of your family and mutual good of your brothers of the Conference, join the Conference Insurance Group?"

### COMMITTEE ON REFORMS

We commend the work now being done by our Board of Temperance, Prohibition, and Public Morals, at Washington, in combating the propaganda of the wet forces, and in their attempt to arouse the church to a greater activity in behalf of Prohibition and law observance; and especially do we approve the efforts of the Board to meet the situation in a fundamental way by carrying forward a broad educational program designed to inform the people as to the evils of alcohol, and to enlist our people in an active campaign for total abstinence and National Prohibition.

We urge pastors to co-operate in presenting to their laymen the Emergency Educational Program of the Board, which program has the sanction of the World Service Commission.

We urge also, that our pastors make use of the new and varied materials being provided by the Board of Temperance, and to see that our church schools conduct systematic study of temperance.

We recommend and urge that definite plans be made to observe World's Temperance Sunday this year, November 2, in every department of the church, and that every pastor preach a special temperance sermon on that day.

We recommend also that each pastor see to it that there is appointed, and actively serving in his church, in compliance with the requirements of the Discipline, a Temperance Superintendent, and that the name of this person be sent to the Board at Washington.

We recognize the Anti-Saloon League as a militant and effective arm of the temperance movement. For years it has represented the churches in education, legislation, and law enforcement. We give to it our loyal support and co-operation.

In view of the attempts of the foes of prohibition to drive from public life officials who are committed to prohibition and its enforcement, we call upon our people to vote only for those candidates for public office who are pledged or known to be favorable to our cause.

We enter our solemn protest against wet politicians who aim to smear President Hoover and undermine his character as a Christian statesman, we pledge him our support and co-operation in his effort to execute and enforce the laws of the country.

We commend to our people the Lord's Day Alliance as a safe, sane, honest representative of the churches in the field of Sabbath observance. We would record our appreciation of the Lord's Day Alliance, although for the present inactive in the State, and pledge our support in its future efforts to keep our Sabbath intact.

The recent death of Dr. David G. Wylie, former President of the Lord's Day Alliance, has removed from its leadership an outstanding Christian statesman.

We warn our people against the insidious effects of salacious literature as presented by many of our current periodicals and so-called realistic novels of the present day.

D. C. JOHNSON,      J. L. FORT,  
G. M. HAGGARD,    H. G. MURRELL.

#### COMMITTEE ON EDUCATION

The varied program submitted by our Master to his followers, namely, to preach, teach, and heal, is balanced so proportionally that the church that follows cannot neglect or ignore any one without injury to the total program. The mission to teach is now carried forward by the church through its Sunday schools and institution of learning. The institutions are charged with the particular mission of building a Christian leadership and then service to the Kingdom depends upon a clear understanding of this mission.

We are especially concerned with the development of our own college—Union College; Barbourville. We rejoice in its splendid growth and enlarged prestige. We covet for it a truly Christian program and atmosphere.

It is our desire to make it strong through the excellency of its spiritual and academic program, and not merely by the number that it draws. To realize this end we pledge anew to the president of the college, our efforts in securing friends, students, and financial aid. We pledge our prayers for the continued guidance of our heavenly Father in all of the life of the school.

W. C. STEWART,      NEWTON KING, JR.  
J. B. KENYON      F. H. LARABEE,  
Committee.

#### LAYMEN'S ASSOCIATION

Resolution presented and passed by the Laymen's Association of the Kentucky Conference:

We recommend that a statue of Bishop Asbury be placed at Cumberland Gap. That the matter be presented to the Kentucky Annual Conference for their approval.

That a committee of four be appointed to confer and co-operate with the Methodist Episcopal Church, South.

Committee appointed: Chairman, C. B. Nordeman, Louisville; Geo. Cornette, Barbourville; J. R. Coppin, Covington; P. C. Van Gilst, Ashland.

#### COMMITTEE ON RESOLUTIONS

The Committee on Resolutions deems it to be its duty to express representatively the appreciation of the Conference to all those persons and agencies that have contributed to the success and comfort of the members of the Conference at its one hundred and forth annual session.

FIRST, in the matter of Entertainment.

The Ashland Church deserves high credit and praise for the splendid way in which she met the stress of circumstances at a late hour in providing entertainment for this Conference session. Again, we wish to convey by this report our sincerest thanks to the Reverend and Mrs. E. P. Hall, host and hostess, for the very admirable way in which they have looked after the welfare and comfort of their guests. Also, a like appreciation is here expressed to the ladies of the Ashland Church, and to the following contiguous churches: Greenup, Russell, Advance, Second Church, Olive Hill, Ashland, Westwood, Louisa, and Catlettsburg, for the most excellent meals with which they have served the Conference. The same also to the homes opened in the city for our rest and comfort.

**SECOND, in the matter of the Music.**

We are grateful to those who have served us so graciously in the ministry of song. We here mention the Ashland choir, the male quartet of this church, the Conference quartet, a quartet of young ladies, nurses from Pikeville Hospital, and to Miss Jettie Stratton and Eugene Sherman for solos.

**THIRD, in the matter of Secretarial Conveniences.**

We thank all those who have contributed in any way towards the convenience in carrying on the work of the Conference, such as rendering secretarial help, loaning of typewriters and adding machines, or other such accommodations facilitating the work at the seat of the Conference.

**FOURTH, in the matter of the Visiting Brethren.**

To the men who have come to the Conference from other fields of service in our great Methodist brotherhood, bringing messages of inspiration and enlightenment, we offer thanks. To President Soper, of Ohio Wesleyan University, for his fine address upon Education; to Dr. N. E. Davis, Secretary of Hospitals and Homes, for his stirring message on the work of his field; to Dr. D. S. Patterson, of the Board of Temperance, Prohibition, and Public Morals, for the suggestions and warnings preachers should have to aid them in that kind of work; to Dr. E. C. Wareing, our own Conference editor; to Miss Grace Wilson, the gifted evangelist; and to Harry C. Wilson, messenger to the young people; to Dr. Jay S. Stowell, representing the Board of Home Missions, and to Dr. T. D. Badley, the Foreign Missions; to Judge Earl Mann, of Terre Haute, Indiana, representing the Laymen's Movement; to Governor Flem D. Sampson, Governor of the State of Kentucky, for a few words of Christian greeting; to all these and any others who may have been omitted in this citation, we express our appreciation.

**FIFTH, in the matter of Religious Education.**

Dr. Cecil D. Smith, the Religious Education Director of this Area, has brought to the Conference a program on Religious Education which commends itself to the minds and consciences of the members of this Conference, on this increasingly worthy subject.

**SIXTH, in the matter of the Press.**

The Ashland Daily Independent has co-operated with the Conference in a fine way in bringing the attention of the city and surrounding country to the work of the Conference.

**SEVENTH, in the matter of Conference Leadership.**

We want first of all to register our appreciation to the Board of Bishops in granting the request of the Conference in sending to us again as our presiding officer, Bishop H. Lester Smith, to preside over the one hundred and fourth annual session of the Kentucky Conference. This request, per se, distinctly announces our appreciation of Bishop Smith's leadership. His strong emphasis on the great basic tenets of our Methodist faith, his brotherly and sympathetic fellowship with the brethren of the Conference, his masterly grasp of business principles and adherence to the governing laws of our church in the execution of the business of the church, are only a few of the reasons why he has become persona grata with the Kentucky Conference.

The enumeration of the foregoing courtesies and occasions of helpfulness in our Conference program for this annual session, is likely only partial and poorly expressed, but these experiences will continue to enrich our lives throughout the days of the year just ahead. And for this we thank God and take courage to press forward into, we trust, a richer and better service for Him.

LYNDON B. PHIFER,  
J. M. LITERAL,  
F. H. LARRABEE,  
Committee.

**MINISTERS' WIVES ASSOCIATION**

We, as members of the Ministers' Wives Association, extend our appreciation to the members of the First Methodist Episcopal Church, Ashland, Kentucky, for their hospitality and entertainment.

We also extend our thanks to the ladies of the other churches who so bountifully served us in the dining hall.

MRS. D. C. JOHNSON, Chairman,  
MRS. W. A. HUMPHRIES,  
MRS. W. F. COCHRAN.

**COMMITTEE ON WORLD SERVICE**

In common with the other Conferences of the Cincinnati Area, Kentucky Conference shows a deplorable decrease in World Service offerings for the year. Last year we gave \$18,351, this year, \$13,708, a decrease of \$4,643, or more than 25 per cent. There is a loss on every district save one, and the gain there is \$122. We must face this situation as men called of God to advance the kingdom of our Christ.

These things we can do and should do:

1. Every pastor should make a personal contribution in a sacrificial amount as an example to his people in sacrificial giving to the cause of Christ.

2. Every pastor co-operate with the World Service Commission, following their suggestions as to World Service emphasis in all October messages, including the observance of October 19th as Missionary Sunday.

3. Every pastor should lead his people in a campaign for the enlistment as missionary givers of every member of the church, and especially those who have not been regular World Service givers hitherto. To this end a regular or called meeting of the official board should be held early in October to make all necessary plans for the public and personal solicitation of all the people.

4. Every pastor should see that all World Service money is forwarded to the World Service office so as to arrive before midnight of October 31.

5. District Superintendents early in October should call their preachers and leading laymen together by sub-district groups or in regular district conference, for prayer and planning for World Service victory.

6. We pledge ourselves to these intensive efforts during October. The World Service Commission and the several Boards, have given us extra inducement and encouragement to do this by permitting individual designation of gifts to World Service objectives within our own territory. Designation may be made and World Service credit received for Henderson Settlement, Booneville; Kingdom Come, Pikeville Hospital, and maintenance and scholarship gifts to Union College. If the amounts possible of designation to these home enterprises of ours should be raised in October, the total would overcome our deplorable deficit twice over. We mention these home enterprises, not to appeal to our people for selfish giving to Kentucky enterprises at the expense of the world program, but to emphasize the fact that we form a part—and an important part—of the Kingdom task of the entire church, and should therefore be the more loyal to the urgent call of the world task emergency.

7. In view of all the blessings that have come to us, and the clear call sent out by our leader, we pledge to God our honest and determined effort to meet the present crisis.

THOS. B. ASHLEY,  
JAS. T. MARTIN,  
JOHN LOWE FORT,  
Committee.

### MRS. ELIZABETH ELLEN NICKELL HUNT.

Mrs. Elizabeth Ellen Nickell Hunt, the subject of this sketch, was born March 22, 1853, at Morehead, Kentucky. She departed this life May 3, 1930. Aged seventy-seven years, one month, and eleven days.

Mrs. Hunt was the widow of the late Rev. William Rogers Hunt. They were married August 9, 1874. Eight children were born to this union, six of whom are surviving: Mrs. Maude Duncan and Mrs. Allie Poole, of California; Mrs. Carmie Preston, of Chillicothe, Ohio; Mrs. Katherine Anderson, of Wilmore, Kentucky; Prof. William Carl Hunt, of Washington, D. C.; and the Rev. S. K. Hunt, of Pikeville, Kentucky.

Mrs. E. E. N. Hunt

Mrs. Hunt was visiting her children in California when she took sick. Her son, the Rev. S. K. Hunt, went after her and brought her back to his home where she was very tenderly and lovingly cared for during a few weeks. And then that she might have the very best medical attention and nursing she was taken to our Pikeville hospital, of which her son is the superintendent. Everything was done that loving hands and medical science could do to restore her back to health. But our heavenly Father said, "Enough, come up higher." And she went home to die no more, and to join her faithful companion and loved ones gone before. She was patient and kind in her suffering.

It was a benediction to be in her presence.

Mrs. Hunt was an ideal home maker, an ideal wife and companion for an itinerant Methodist preacher, and a loving Christian mother, whose children felt the influence and power of her prayers for them through childhood and maturity, guarding and shielding them from the dangers and temptations of this life.

The funeral service was held at Wilmore, Kentucky. The Rev. E. R. Overley was in charge, assisted by the Rev. O. J. Polley and the Rev. Virgil Moore. Her body was laid to rest in the beautiful little cemetery at Wilmore, by the side of her husband, to await the resurrection morn.

Often and often my thoughts go back  
Like wanderers over a timeworn track,  
To the time when I knelt at my mother's knee  
And she sang at the twilight hour to me.

Oh, the dear old songs! I can see her eyes  
Aglow with the gladness of paradise,  
As I fancy she sings in the streets of gold  
The hymns that she sang in the days of old.

As she sang them over, her face grew bright,  
As if God's city was just in sight,  
And she saw the angels, and heard them sing  
By the great white throne, before the King.

The heavenly songs can no sweeter be  
Than the songs that my mother made dear to me,  
And in God's city, I hope, some day,  
To hear them sung in my mother's way.

MRS. J. D. WALSH

Isabel Powell Walsh, the subject of this sketch, was a niece of Mrs. John G. Bruce, of Danville, Kentucky. When a small child she was adopted by the Rev. John G. Bruce, a distinguished member of the Kentucky Annual Conference of the Methodist Episcopal Church. She and two other sisters found a home with Brother Bruce and wife. Early in life she made a profession of faith in Christ. Brother Bruce lived on a farm three miles north of Danville, Kentucky, called Ingleside. It was the privilege of the writer, as pastor, to visit the home and note the devotion of the children to their adopted parents and the beautiful affection of the members of the home.

Isabel was an invalid and most of her girlhood was confined to her bed, and for many years she suffered as an invalid, and her Christian faith shone beautifully, and her room was one of sunshine. It was a real benediction to behold her Christian devotion and fortitude.

She was married to Rev. J. D. Walsh, D.D., July 21, 1908. It was the writer's privilege to visit Dr. Walsh and his wife in the home on Missionary Ridge, Chattanooga, Tennessee, and here he found her as she had lived, a woman full of faith and the Holy Ghost. She was to Dr. Walsh a faithful and most devoted companion. She had been saved from her early invalidism, as she said, by her Master and had become quite herself. She passed to her eternal reward from her home in Chattanooga, Tennessee, December 9, 1929, aged 73 years. A good life has ended in this world and new life begun in the land of eternal joy.

## Roll of Our Honored Dead.

"Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labors; and their works do follow them."—*Rev. xiv, 13.*

### DIRECTIONS FOR STUDENTS AND EXAMINERS

1. The numbers 1, 2, etc., indicate the division of work among the examiners.

2. The recommendation of the Discipline (619) to establish a midyear institute for undergraduates has been met by the Conferences of the Cincinnati Area by establishing a Summer School of Theology at Delaware, Ohio, convening during the month of June each year. All undergraduates are required to attend this Summer School of Theology and to take all their examinations there, except those in attendance at one of our schools. Classes are formed in all studies on which examinations are required in the four years of the Conference course.

3. All required written work in the books to be studied must be completed and in the hands of the Registrar before the opening date of the School of Theology. No student will be permitted to enroll in the school who has not completed this written work before the opening day and had same graded by Conference Examiner. Grade on work must be sent by him to Registrar and be recorded by that time.

4. No examinations will be given at the Annual Conference to the men in the four-year course of study, except by special permission of the Conference on the recommendation of the Board of Examiners, and that only on account of sickness or some other urgent cause.

5. All written work on the collateral subjects must be in the hands of the Examiners fifteen days before the Conference opens. No written work will be accepted after the session opens, and students who fail to comply with this rule will be conditioned on the subjects, unless a convincing reason is presented.

6. Students wishing to substitute work done in one of our schools for the studies in the Conference course shall present their credits to the Registrar. (See Paragraph 618.)

7. When a preacher in full connection fails to be advanced in his work in the Conference course of study for a given year, said year shall not be

counted as year of effective service unless he is in attendance upon a standard school or is excused by a two-thirds vote of his Conference upon the recommendation of the Board of Examiners. (Paragraph 617, Section 4.)

8. No candidate shall be permitted to remain longer than four consecutive years on trial nor longer than eight consecutive years in the course of study after being admitted on trial, unless extension of time shall be recommended by a two-thirds vote of the Board of Examiners and authorized by a two-thirds vote of the Annual Conference. Failure to complete the first two years of the course of study within four years shall automatically discontinue the candidate on trial, and failure to complete the entire four years of the course of study within eight years shall automatically locate a member of the Conference, unless extension of time shall be granted as indicated above. In no case shall a person be permitted to remain longer than ten years in the course of study. (Paragraph 617, Section 5.)

9. Candidates for admission on trial may receive instruction at the Summer School of Theology and take the examinations there, but such an arrangement shall not deprive any candidate for admission on trial from being examined at the seat and time of the Annual Conference. Candidates for admission on trial who were unable to attend the School of Theology are required to take such examinations at seat of Annual Conference on morning of day before the Conference convenes.

10. The Board of Examiners shall convene at the seat and time of the Annual Conference the day before the session opens, to review and complete the work of the year and arrange for the work of the year to come. (Paragraph 619, Section 6.)

11. Local preachers who are candidates for local deacons' or elders' orders are required to take the subjects as outlined by the Discipline. Studies and Examiners are included in this section of the Minutes.
